Faith Connections on Mental Illness is an inter-faith coalition of faith communities dedicated to assisting faith communities in welcoming, including, supporting, educating, and advocating for individuals and families who are living with mental illness.

Faith Connections on Mental Illness is an inter-faith coalition whose mission is to work with all local faith communities to advocate for and to support and educate individuals and families who are living with mental illness.

**In the same spirit, our
Virtual Walk Team is open to all.**

We invite persons, congregations, and organizations to join as individuals or as a representative of your own faith community or entity.

Through education and advocacy in the community and diverse congregations, Faith Connections offers support and comfort to the mentally ill and those who care for and about them. Learn more at our website: FCMI-NC.org

All contributions – no matter how small – will be gratefully accepted. It is easy and safe to donate online, or you can give a check to any team member (made out to NAMI NC).

What is NAMIWalks Your Way?

On May 30, 2020, NAMIWalks will be a virtual experience and joined by NAMIWalks across the country. NAMIWalks Your Way means what it sounds like: participants get to make NAMIWalks their own. You can walk a 5K – through your neighborhood, around your backyard, on your treadmill. Or you can do something else meaningful and fun to celebrate our virtual walk day. More ideas are offered at NAMIWalks Your Way NC.
